PLUS (+) SERVICES

OFFICE+ studies the psychology of professionals, aiming to develop and enhance functionality of everyday life at work for higher performance. It understands the flexibility demands of modern life and strives to provide its services in form of immediate solutions that suit your needs. In this sense, it does not simply offer a desk, but a fully equipped office with the most up-to-date means. Each business center is designed to create a professional atmosphere and provide the necessary amenities and day-to-day facilities such as technical support and safeguarding.

MEETING ROOMS

A proper venue with suitable atmosphere and the appropriate equipment can play a major role in making decision during a meeting, a presentation or a board, since it promotes calmness and concentration of the attendees while giving you and your company prestige and credibility. If these are important to you, then renting fully electronically equipped boardrooms for 4-12 people is the perfect choice for you. You can choose the room that suits you and your needs.

OFFICE+

“

*"A business man is considered to be" successful "when he has the right idea, knowledge, business plan, the finance and the right working environment to make a profit. **OFFICE+** can offer you the workspace and the support services you need to focus on the success and growth of your business."*

THE INSPIRATION

OFFICE+ was founded in March 2015 on the personal need of its founder to house his two companies in 145 countries worldwide.

THE INSPIRATION

—

With the development of these companies and the addition of new services, a large work space was needed. That was the time when **OFFICE+** located in the southern suburbs of Attica.

*Business Center at Elli,
Λεωφ. Βουλιαγμένης 47*

THE INSPIRATION

Today, our Company has more than 48 permanent staff (sales, secretarial services, organization of professional events, network technicians, electricians and security staff), **created the first executive business centers in Attica** and aims at expanding in more Greek cities. In any area where there is demand for upgraded office space services.
